FREE 2 WEEK PROFESSIONAL DEVELOPMENT PROGRAMME 16-24 FOR YEAR OLDS

If you're planning to **begin or develop your professional career**, whatever career or job you want to move into, this programme will equip you with **the skills you need**.

Workplace and employer visits

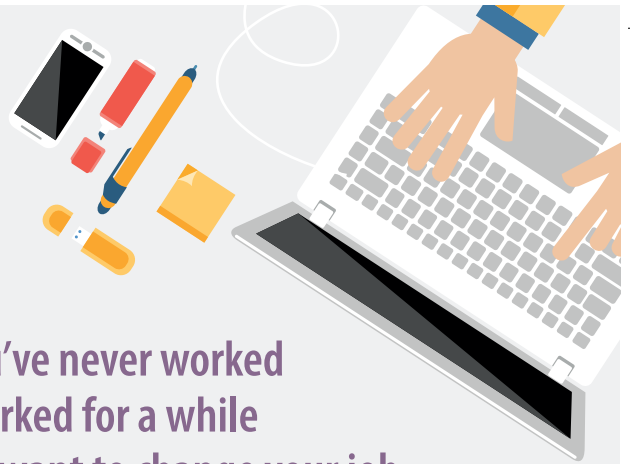

Work placements

Professional CV creation

Using social media to self-promote

Career planning

Apprenticeships

Whether you've never worked
Haven't worked for a while
Or are working and want to change your job

This is a dedicated programme that is right for you

1 FROM THE VERY FIRST STEPS:

- ⚙ Identifying and developing your skills and values
- ⚙ Creating that top notch CV
- ⚙ Finding the **RIGHT** jobs and apprenticeships that suit you **RIGHT** now

2 TO THE NEXT STAGE:

- ⚙ Getting that application form just right
- ⚙ Presenting the best possible you in your interview

3 TO GETTING THE JOB AND BEYOND:

- ⚙ Building relationships in the workplace
- ⚙ Expectations at work
- ⚙ Managing your money

This programme will also get you a **Level 1 in Professional and Personal Skills Management**, recognised and valued by employers. You'll also have the opportunity to visit workplaces and meet potential employers.

After the programme, we can guarantee a referral to the **Peabody Employment and Training Team** where you will be assigned a dedicated Employment Broker to help you to **get the job or apprenticeship you want** and provide you with access to live opportunities. We can also offer you **work placements** to really build up your skills and increase your network!
