

Your home, your news

Dee Park | July 2026

Hello from your local team

Hello to all residents of Dee Park.
As your Neighbourhood Manager, the local team and I wanted to share some key updates.

Please get in touch if you have any questions.

Best wishes,
Eamon McLoughlin
Neighbourhood Manager

Monthly housing surgeries

Last Wednesday of the month
11am-1pm, Dee Space

No need to book, just come along to meet your local Peabody team to speak to use about repairs, advice, or anything else.

Reading Borough Council runs a surgery on the last Saturday of the month 10am-2pm.

New Dee Park webpage coming soon

The new and improved Dee Park neighbourhood webpage is going live soon.

It will have even more information than the current webpage, including more local news and updates.

Summer gardening

The Estates Services team has been tending to the borders and maintaining the beautiful hydrangeas, which are now in full bloom. If you see the team, please say hello!

My Peabody

Did you know that My Peabody is the fastest way to schedule and monitor repairs while managing all aspects of your home in a single location? You can easily update your personal information, check your rent statements, make payments, and so much more. It's user-friendly, secure, and accessible online around the clock.

If you haven't signed up yet, we encourage you to visit peabody.org.uk/my-peabody, call 0300 123 3456, or simply scan the QR code.

Recycling and waste made easy

Recyclable materials:

- Paper and cardboard
- Plastic bottles, trays, and tubs
- Tin cans
- Glass bottles and jars

Non-recyclable waste:

- Food waste
- Non-recyclable packaging
- Dirty items that cannot be cleaned

Please ensure that the bin lids close completely and avoid overfilling them.

Remember, if we need to remove items, it will affect the block's service charge.

Scan the QR code to learn how to dispose of bulk items.

North Counties resident forum

Wednesday 23 September

6pm - 7.30pm

Online

Come and speak with your local Neighbourhood Management and Resident Engagement teams to find out how the resident forums work and represent the area you live in.

To register, please email

 get.involved@peabody.org.uk

Join Peabody Voice

Get involved and influence the way we work, through surveys, focus groups and co-creation.

Keep cool in the hot weather

It's important to stay safe and cool when the temperature rises.

Tips for keeping cool at home:

- During the day, keep windows and curtains closed to block out heat. Open them early in the morning or in the evening, when it's cooler.
- If one part of your home stays cooler, spend time there during the hottest hours of the day.
- Take a cool shower, spray cool water on your skin or clothes or use a damp flannel to feel refreshed.
- If it's under 35°C, electric fans can help. Place fans near windows to bring in cooler air from outside during the evening and early morning.
- Avoid using heat generating household appliances where possible, such as a clothes dryer, oven or dishwasher.
